

Global DC: Agenda for 2023

Boost Employees' Financial Wellbeing

Three-quarters of employers around the world say that delivering better retirement outcomes and value for their employees is a key aim of their global defined contribution (DC) retirement programme.

What are your 2023 DC objectives, and how will you achieve them?

Enable Employees to Make Better Decisions

Our latest [Global DC Retirement Study](#) collated the views surveyed from 500 employers in 13 major employment locations and analysed the trends, objectives and challenges across multinational employers and their DC programmes.

The findings of our survey, combined with our experience and continual conversations with clients show three principles essential to managing DC plans regionally or globally, driving a positive impact on individual outcomes.

Smart Design

Smart Engagement

Smart Governance
